# MARKETPLACE APPS

## Build the Perfect Platform. In a Snap.

Need additional functionality? No problem! MX™ Merchant's Marketplace gives you the power to choose! Customize your payments platform to fit your specific business needs by downloading and installing our feature rich product apps:

### **MX™ INVOICE**

With MX™ Invoice you can quickly invoice your customers, track statuses, and view the history of each invoice. Accepting credit card payments through the invoice app provides your customers with an easier way to pay, in turn making collecting funds smooth and simple.

### **MX™ EXPRESS**

An easy-to-use application that allows merchants to accept mobile card payments with optional gratuity and print, email, or text customer receipts. The app is free to download and use. Available on both Android and iOS. It's mag stripe, EMV, and contactless compatible.

### **MX™ ACCOUNT UPDATER**

Take the tedious work out of updating your customers' vaulted card information by automatically updating card data received by banks, such as expired cards, lost or stolen, bank upgrades, etc. Activate the Account Updater App today to save time and keep payments flowing seamlessly. You'll also quickly see a reduction in declines, cost to manually update card data, and risks associated with staff handling sensitive card data.

### **ACH.COM**

Why stop at credit cards? Cut out the middleman and collect even more with our integrated ACH processing platform. ACH.COM gives you the most cost efficient electronic transactions for your business and allows you to easily streamline your accounting operations.
