

CONNECT

Premier Merchant Network Monetization Platform.

MX™ Connect provides Priority's partners and resellers with automated tools that support low friction merchant boarding, underwriting and risk management, client services, and commission processing—all through a single web interface. Integration with Priority's flagship consumer payments offering, MX™ Merchant, results in smooth merchant onboarding and activation.

Designed to increase revenue and reduce attrition, MX™ Connect serves Priority's merchant network with a first-in-class CRM. Using a holistic approach that maximizes financial performance, MX™ Connect minimizes attrition and offers short and long term monetization and cash flow options.

MX™ Connect is a single system of record that empowers resellers by providing a self-service application, filled with system automations and responsive reporting—allowing users to spend less time on merchant maintenance and more time growing business.
